INTRODUCTION TO BATH & NORTH EAST SOMERSET COUNCIL

Bath and North East Somerset (B&NES) is a unitary authority created on 1 April 1996 following the abolition of the County of Avon. The Council has responsibility for almost all local government functions within the district, including planning, building control, local roads, council housing, environmental health, markets & fairs, refuse collection, recycling, cemeteries & crematoria, leisure services, parks, and tourism. It is also responsible for education, social services, libraries, main roads, public transport, trading standards, waste disposal and strategic planning.

B&NES covers an area of 136 square miles (352 km²), of which two thirds is green belt. It stretches from the outskirts of Bristol, south into the Mendip Hills and east to the southern Cotswold Hills and border of Wiltshire. The city of Bath is the principal settlement in the district.

Bath developed as a spa resort in Georgian times and remains a major cultural tourism centre having gained World Heritage City status.

The CORPORATE STRATEGY

The Strategy was agreed at the Cabinet Meeting on 22 July 2020. You can view the details on our website - <https://beta.bathnes.gov.uk/corporate-strategy-2020-2024-survey>

SECTION 1 – THE REQUIREMENT

1.1 Overview and Background

The Council wishes to establish a contract for the replacement of three pedestal slides and safer surfacing in three play areas, plus a pedestal slide and a see-saw in a fourth play area. The Council is managing this procurement in accordance with the Public Contracts Regulations.

This is a goods and services contract being procured under the Open procedure.

The existing slides have already reached end of life and the tops have been removed (cut at just below ground level). We wish to replace these with new slides in the same places (it may be possible to incorporate the existing surfaces as sub-bases for the new safer surfaces). On one site (Writhlington), we also wish to replace a see-saw in addition to the slide. For maps and photos see Appendix 3.

The Council is procuring contract as a central purchasing body for itself.

1.2 Strategic Objectives of the Contract

Replace much-loved slides (and a see-saw) for the local community that will restore the range of play value to each site, before the old kit had to be removed.

1.3 Specification

The play unit and surface should meet the following specifications:

- units to meet BS EN 1176 and the surfaces to meet BSEN 1177
- the slides are to be made of a durable metal and be solid i.e. no banister slides (for the see-saw other materials can be used, as long as the warranty for their length of life is provided and spares are readily available)
- each metal slide will be positioned where the previous slide came out
- the unit height of the slides will not exceed 4m and will not include a roof
- the unit will not contain any materials that have been recycled from tyres or contain any chemicals that could leach out and be toxic when held or sat upon or licked etc
- the slides and the see-saw will be suitable for older children, not toddlers. The first step onto the slide should be high enough to deter little children from gaining access
- the safer surface to be made of wet pour with sufficient depth to fulfil the various fall heights, as appropriate
- the safer surface is to be dug in below the surrounding turf (no kerb or visible edges)
- A full colour pdf size A3 must be submitted as part of the tender

Invitation to Tender for less than £50K

- The tenders will be evaluated by B&NES Parks Play Team
- The successful company will need to provide a design and method statement for installation of the new equipment with their tender
- A maintenance manual with inspection regime and replacement programme for parts must be provided with approximate running costs for the first 10 years life of the unit and surface and the expected lifetime of the kit
- The appointed contractor for this work will assume the role of Designer and Contractor under the Construction (Design and Management) Regulations 2015 (CDM 2015). If the appointed contractor has bid as a Prime Contractor and will use third parties/sub-contractors to deliver some or all of the services then it will assume the role of Principle Contractor under the Construction (Design and Management) Regulations 2015 (CDM 2015). The bidding model upon which your quotation is based should be specified in Section 3 – Questionnaire.
- Buried and overhead services such as live electricity lines and water pipes may be located in or around the project site. Care must be taken to avoid the dangers associated with underground services whilst carrying out this work.
- All our play areas are public green spaces. The appointed contractor will be required to take appropriate measures to ensure that members of the public are protected from the risks of construction work. Vehicle/machinery movements will need to be carefully managed.
- The appointed contractor will be required to produce a risk assessment outlining how health and safety risks will be managed during installation.

1.4 Term of Contract/Goods or Service Requirement Date

The Goods/Service are required by 30th June 2022.

1.5 Estimated Value of Contract

£45,000 ex VAT.

SECTION 2 – INSTRUCTIONS TO BIDDERS

2.1 E-Tender System

The Council uses the Supplyingthesouthwest e-Tendering system to issue Invitations to Quote and to receive responses from Bidders.

Suppliers must ensure that they have the most up to date Invitation to Quote document by registering on the e-Tendering system at www.supplyingthesouthwest.org.uk and expressing an interest. This will enable suppliers to view the latest documents and see any comments and discussions on those documents.

Assistance in relation to the e-Tender system is available to Bidders via the Supplier Help facility on the Login page. Supplier Guidance documents are also available to view and download. If you are still unable to resolve your issue in using the system you should send an e-mail to ProContractsuppliers@Proactis.com explaining the nature of your query.

2.2 Register Intent or opt out

The “Register Intent” button will be greyed out until the mandatory requirement to click on “View ITT” has been carried out.

Once the Quote Information has been viewed Bidders will be able to click on “Register Intent” which will inform the Council of your intention to respond to this opportunity.

If a Bidder does not wish or is unable to submit a Quote and not interested in proceeding, then they should click “Opt Out” to decline the opportunity.

2.3 Preparation of Quote

Bidders must obtain for themselves all information necessary for the preparation of their Quote response and all costs, expenses and liabilities incurred by the Quote in connection with the preparation and submission of the Quote shall be borne by the Bidder, whether their offer is successful or not.

Information supplied to the Bidder by Council staff or contained in Council publications is supplied only for general guidance in the preparation of the Quote. It shall remain the property of the Council and shall be used only for the purpose of this procurement exercise.

Bidders must satisfy themselves as to the accuracy of any such information and no responsibility is accepted by the Council for any loss or damage of whatever kind and howsoever caused arising from the use by Bidders of such information.

Responses to each Quote question should be written concisely and clearly answer the question posed in English.

Bidders will only be able to respond to questions that require an input from them and are located within the Invitation to Quote document attached within the e-Tender system.

2.4 Price Schedule/s

The Council requires Bidders to complete and upload Price Schedule(s) where requested to do so within the e-Tender system.

All prices shall be in Pounds Sterling and exclusive of VAT.

2.5 Other Documents or Supporting Evidence

As instructed to do so within the e-Tender system, the Bidder must complete and upload other documentation that may be provided with this Quote process, or upload evidence to support their Quote submission.

Quotes must not be qualified, conditional, or accompanied by statements that could be construed as rendering them equivocal and/or placed on a different footing to those of other Bidders. Only Quotes submitted without qualification, in accordance with this invitation to Quote will be accepted for consideration. The Council's decision on whether a Quote is acceptable or not will be final and the Bidder concerned will not be consulted. If a Bidder is excluded from consideration, the Bidder will be notified.

2.6 Returning Your Completed Quote

Bidders are required to submit their Quote within the e-Tender system by the time and date in the Procurement Timetable at the end of Section 2.

It is the Bidder's responsibility to ensure that the Quote is submitted and that all the requested documentation has fully uploaded by the closing date and time. Bidders should therefore allow enough time to complete questions and upload their response. Please do not leave it to the last minute.

Failure to complete and upload the requested documentation within the e-Tendering system will result in the Council rejecting the Quote as a Fail / Non-compliant Quote.

Documentation: If you are uploading multiple documents, it is recommended that you zip them using WinZip or WinRAR. Do not include any macro enabled spreadsheets or embedded documents. Acceptable file formats are: *jpg, jpeg, zip, pdf, doc, xls, ppt, docx, xlsx, pptx*.

Late Quote Submissions: Quotes received after the closing date will not be considered. The Council is under no obligation to consider partial submissions.

Emailed or hard copy Quotes will not be accepted.

If the Council issues an amendment to the original Quote, and if it regards that amendment as significant, an extension of the closing date may, at the discretion of the Council, be notified to all Bidders.

The Bidder's Quote response will be checked for completeness and compliance before responses are evaluated. The Council expressly reserves the right to require a Bidder to provide additional information supplementing or clarifying any of the information provided in response to the requests set out in the Quote. However, the Council is not obliged to make such requests.

Bidders shall accept and acknowledge that by issuing this Invitation to Quote, the Council shall not be bound to accept any Quote. The Council reserves the right not to conclude a Contract or Framework Agreement for some or all of the goods, services and/or works for which Quotes are invited.

2.7 Quote Validity

The Quote should remain open for acceptance for a period of 120 days. A Quote valid for a shorter period may be rejected.

2.8 Communication

All contact and communication during this procurement should be submitted in writing through the e-Tendering system.

Bidders should seek to clarify any points of doubt or difficulty using the messaging facility in the Supplyingthesouthwest e-Tender system. They must submit clarifications at least 10 days prior to the closing date of the Quote for the Council to respond. It is not acceptable for Bidders to seek clarifications via telephone or e-mail outside of the e-Tender system. Please check the messaging system before submitting the clarification to make sure it hasn't already been asked/answered.

Where the Council considers any question or request for clarification to be of material significance it may communicate both the query and the response, in a suitably anonymous form, to all interested parties that have expressed an interest in the Quote. Bidders should therefore not include within their question the organisation's name and any potential commercially sensitive information.

2.9 Confidentiality

The Bidder must keep confidential and will not disclose to any third parties any information contained within their bid. They shall not release details other than on an 'In Confidence' basis to those whom they need to consult for the purpose of preparing the response, such as professional advisors or joint Bidders.

The Quote shall not be canvassed for acceptance or discussed with the media, any other Organisation, member/officer of Bath & North East Somerset Council, or their representatives. Any supplier trying to exert any undue influence during the Quote process will be excluded from the process.

Invitation to Tender for less than £50K

Applying weightings to scores

The total weighting will be 100% which is split between Price and Quality. The split is shown in the left-hand column of this table.

Individual scored questions will be weighted to account for their level of importance. Each of these will be scored out of 5 (see above) with a weighting applied to that score to produce a weighted score. e.g. if a question is weighted as 20% and scored as 5/5 then the weighted score would be 20/20. If the score were 4/5, then the weighted score would be 16/20.

	<p>All weighted scores are added together to achieve a total weighted score for the scored questions. The total is then multiplied by the quality weighting above to get a final weighting for overall quality of the bid.</p> <p>The attached blank score sheet will show the calculations.</p>
<p>Price 50%</p>	<p>Price Evaluation:</p> <p>The scoring is carried out within an Excel spread sheet outside of the e-Tender system.</p> <p>All price bids are compared against the lowest bid to reach the percentage difference from the lowest bid.</p> <p>Example if the price weighting were 40%, the calculation would be:</p> <p>$(40 * \text{lowest price}) / \text{bid price}$</p> <p>The lowest price bid would receive the full 40 points.</p> <p>A negative percentage figure for a lump sum price that is over 100% higher than the lowest price bid will receive a price score of zero. B&NES Council will not award a negative price score</p> <p>Abnormally Low Quotes In the event of the Council having received an abnormally low Quote, it will adopt the procedure in Regulation 69 of the Public Contracts Regulations</p>
<p>Total Weighted Score</p>	<p>The weighted scores for Quality and Price are added together to get a final total score out of 100.</p> <p>In the event of a tie-break, the Council will award to the Bidder with the highest overall Quality score.</p> <p>For contracts below £50,000 in value, the Council may complete an assessment of the winning bidder's financial accounts for due diligence purposes.</p>

5.3 Clarifications

Upon examination of the Quotes, the Evaluation Panel may request clarifications from the Bidders. The question(s) will be submitted on the e-Tendering system and Bidders must respond in the same manner.

If clarifications are received from Bidders outside the e-Tendering system, the Panel will ask them to redirect them through the e-tendering system.

It may be necessary to also hold a clarification meeting separately with the Bidders for due diligence purposes. If, as a result of these meetings, the Evaluation Panel decide that the initial scores require adjustment, then the Bidders will be requested to submit a clarification response via the e-tendering system. The Evaluation Panel will keep notes of the reasons why the scores have been adjusted.

5.4 Final score

Both the quality and price scores from the Quote and clarifications (where relevant) will be combined to produce a total final score and the Bidder with the best overall total final score shall be identified as the winning Bidder.

5.5 Customer References

References may be taken up for the winning Contractor. These will not be scored and will be for due diligence purposes only. The Council will consider whether to award the contract or seek further clarifications from the Bidder.

5.6 Right to Not Award

The Council reserves the right to terminate this procedure without any decision to award and will not be liable for any costs incurred by the Bidders in preparing their responses.

5.7 Right to Terminate Subsequent Contract

The Council reserves the right to terminate any resulting Contract, if it is discovered that the Bidder made any material misrepresentation and/or have not notified to the Council about any material changes in relation to the information provided in the Quote submission.

5.8 Contract Award

Once the authority to award the Contract has been granted, the Evaluation Panel will award the Contract. The successful company will receive a written notification letter that the Council is intending to award them the business.

Unsuccessful companies will receive a written notification that they have been unsuccessful, and that the Council intends to award the Contract to another bidder.

5.9 Contract Acceptance

Upon the Council's acceptance of a Quote, a Contract shall thereby be formed and become binding on both parties. Bidders should not submit a Quote unless they agree to be bound by the form of contract issued with that Quote.

Invitation to Tender for less than £50K

The successful Bidder must not undertake work without written notification that they have been awarded a Contract and are required to start work.

5.10 **Withholding of Confidential Information**

The Council will be careful not to disclose confidential information of the successful Bidder and may withhold debriefing information in certain circumstances including where disclosure would be contrary to the public interest, would prejudice the legitimate commercial interests of any supplier, or might prejudice fair competition.

Unless otherwise agreed in writing all tools, patterns, drawings, designs and other documents or equipment supplied by, or on behalf of, the Council shall be and remain the property of the Council and the Supplier shall be responsible for their safe custody and return upon request of the Council or immediately upon termination. They shall not be disposed of by the Supplier to any third party or used except for the purpose of Providing the Goods and/or Services.
- 16.3. Property in the Goods shall pass to the Council when they are delivered to the Delivery Address and the Goods are found by the Council to be in accordance with the Purchase Order.
- 16.4. In the Provision of Goods and/or Services the Parties do not intend on creating any relationship of employer and employee or otherwise between the Supplier personnel and the Council. The Supplier shall at all times remain responsible for effecting all statutory deductions, insurances and accruals in respect of the Suppliers' personnel.

17. DEFECTS

- 17.1. Defects arising prior to the end of the Guarantee Period shall be remedied by the Supplier at the Supplier's cost in accordance with the Council's reasonable instructions, or if not instructed, as soon as reasonably practicable and in any event within one month of notification of Defect. The Council may elect whether the remedy is achieved by repair, replacement or rework.
- 17.2. Other than at the Council's discretion, defective Goods will only be returned to the Supplier once replacement Goods have been provided. Goods returned shall be sent carriage forward to the Supplier at the risk and cost of the Supplier. Repair or replacement Goods shall themselves be subject to the provisions of the Guarantee Period.
- 17.3. If the Supplier fails to remedy a Defect in accordance with this Clause 16, the Council may, having given written notice to the Supplier, assess the cost of having the Defect remedied by another supplier and recover the reasonable costs incurred from the Supplier.
- 17.4. The Parties may agree that a Defect will not be remedied in return for a reduction in the Order Value. A variation shall be made confirming the agreement and the reduction to the Order Value.

18. ASSIGNMENT

- 18.1. The Council may assign or transfer the Purchase Order or any part of it at will.
- 18.2. The Supplier may not sub-contract, assign or transfer the Purchase Order or any part of it without the consent in writing of the Council. Such consent shall not relieve the Supplier from any liability or obligation under the Purchase Order. The Supplier acknowledges and agrees that the Council may reasonably withhold its consent to such a proposal if it, acting in good faith, considers that the Suppliers proposal to sub-contract, assign or transfer its obligations under this Purchase Order is to such number of sub-contractors, or to such a degree or in such a manner as might jeopardise the efficient or effective performance of the Suppliers obligations or delivery of the Goods and/or Services.

19. INDEMNITY AND INSURANCE

- 19.1. Unless otherwise stated in the Purchase Order, the Supplier shall effect and maintain insurance for:
 - 19.1.1. Public liability insurance in respect of loss of or damage to property, including property owned by the Council, (other than the Goods and/or Services) and for bodily injury to or death of a person (other than an employee of the Supplier) arising from or in connection with the provision of the Goods and/or Services. The minimum limit of indemnity shall be £5,000,000 for any one occurrence and unlimited as to the number of occurrences and the insurance shall be maintained until the end of the Guarantee Period.
 - 19.1.2. Employer's liability insurance in respect of death of or bodily injury to employees of the Supplier arising out of and in the course of their employment in connection with the Purchase Order. The minimum level of indemnity shall be £5,000,000 and the insurance shall be provided until the end of the Guarantee Period.

- 19.1.3. Professional indemnity insurance covering the liability of the Supplier in respect of the design and specification of the Goods and/or Services where liability on the part of the Supplier for design and specification of the Goods and/or Services applies under the Purchase Order. The minimum level of indemnity shall be £1,000,000 each and every claim and shall be provided until 6 years after Delivery.
- 19.2. The Supplier shall ensure that the interests of the Council are indemnified under the insurances to be affected and maintained by the Supplier under Clause 19.1 in the following manner:
- 19.2.1. Under the provisions of an indemnity to principal clause in respect of public liability and employer's liability insurance
- 19.2.2. As an additional insured in respect of property damage insurance
- 19.3. The insurances shall be affected with well- established insurance companies or underwriters of repute (i.e. with a Standard and Poor's rating of A- or above). When required by the Council, the Supplier shall supply to the Council documentary evidence that the Insurances required under Clause 18 have been taken out and are being maintained.
- 19.4. The Supplier shall be liable for and shall indemnify the Council against any expense, liability, loss, claim, damages, costs or proceedings arising under any statute or at common law in respect of personal injury to or the death of any person arising out of or caused by the Provision of the Goods and/or Service, except to the extent that the same is due to any negligence or default on the part of the Council or of any person for whom the Council is responsible (including other contractors and their servants or agents employed by the Council).
- 19.5. The Supplier shall be liable for, and shall indemnify the Council against, any expense, liability, loss, claim, damages, costs or proceedings in respect of any injury or damage to any property real or personal (including injury or damage to property of the Council) insofar as such injury or damage arises out of or is caused by the carrying out of the Provision of Goods and/or Services by the Supplier and to the extent that the same is due to any act, omission, negligence, breach of statutory duty or default of the Supplier, its servants or agents or any of the Supplier's sub-contractors or their servants or agents.
- 19.6. Nothing in any Council agreement or Purchase Order excludes or limits the liability of a Party for death or personal injury caused by its own negligence, for fraudulent misrepresentation by it, for fraud or for any matter for which it would be illegal for that Party to exclude or to attempt to exclude its liability.
- 19.7. The Supplier shall indemnify, and keep indemnified, the Council against any expense, liability, loss, claim, costs or proceedings the Council may suffer or incur as a result of any claims made against it in respect of TUPE, National Insurance contributions, income tax and other statutory charges arising out of any Supplier personnel being found or considered to be an employee of the Council.
- 19.8. Save in respect of the provisions of Clause 19.6, the Council's liability to the Supplier under or in connection with the Purchase Order, or any Council agreement with the Supplier under which the Purchase Order is made, howsoever arising including, without limitation, negligence, breach of contract or breach of statutory duty shall be limited to the Order Value.

20. TERMINATION AND CANCELLATION

- 20.1. The Council may terminate the Purchase Order immediately in whole or in part, by giving written notice to the Supplier if the Supplier has failed, or in the opinion of the Council is likely to fail to:-
- 20.1.1. provide all or part of the Goods and/or Services or remedy a Defect (in whole or in part) upon being required to do so in writing by the Council; and/or
- 20.1.2. achieve Delivery by the Delivery Date; and/or
- 20.1.3. comply with an instruction of the Council relating to the Goods and/or Services or otherwise relating to the Purchase Order
- 19.2. Either Party shall be entitled to terminate this Purchase Order immediately by giving written notice to the other if:-
- 19.2.1. an encumbrancer takes possession, or a receiver is appointed over any of the property or assets of the other Party;

- 19.2.2 the other Party makes any composition or voluntary arrangement with its creditors or enters into administration or a moratorium comes into force in respect of the other party (within the meaning of the Insolvency Act 1986);
 - 19.2.3 the other Party goes into liquidation (except for the purposes of an amalgamation, reconstruction or other reorganisation and so that the Council resulting from the reorganisation effectively agrees to be bound by or to assume the obligations imposed on the other party under this Purchase Order);
 - 19.2.4 an insolvency practitioner has been appointed by the other Party; or
 - 19.2.5 the other Party ceases or threatens to cease to carry on business.
- 19.3 If the Council terminates the Purchase Order or cancels any part of it, under Sub-Clauses 20.1 and 20.2 above, the Council may recover from the Supplier the forecast additional cost to the Council of procuring the Goods and/or Services from an alternative supplier.
- 19.4 The Council may terminate the Purchase Order immediately by written notice or cancel any part of it for any other reason in which case, subject to Clause 21.7, the Council shall pay the Supplier his reasonable and substantiated costs incurred up to the date of termination or cancellation in order to provide the Goods and/or Services in whole or part as the case may be.
- 19.5 The conditions of contract that expressly or by implication have effect after termination of the Purchase Order including, without limitation, Clause 4 (Confidentiality), Clause 10 (Communication and Notices), Clause 13 (Recovery of Sums Due and Set Off), Clause 17 (Defects), Clause 18 (Assignment), Clause 19 (Indemnity and Insurance) and Clause 23 (Waiver) will continue to be enforceable notwithstanding termination.

21. FORCE MAJEURE

- 21.1. Subject to Clause 21.4, neither Party shall be liable for any failure to perform, or delay in performing, an obligation (other than indemnity obligations) if and to the extent that the failure or delay is caused by Force Majeure.
- 21.2. Where the Supplier is unable to perform its obligations by reason of Force Majeure the Supplier shall immediately notify the Council Representative in writing of its wish to claim relief under Clause 21.1 and provide an estimate of its duration, details of the obligations which are affected by Force Majeure and the way in which and the extent to which the Party considers that the performance of its obligations is likely to be affected.
- 21.3. Where the Supplier is unable to provide the Goods and/or Services by reason of Force Majeure the Council shall assess the information provided under Clause 21.2 and either alter the Delivery Date accordingly or cancel any part of or terminate the Purchase Order.
- 21.4. For the period of the Force Majeure each Party shall:
- 19.4.1 take all reasonable steps available to minimise the effects of the Force Majeure on the performance of its obligations and to resume full performance of the Purchase Order without reasonably avoidable delay;
 - 19.4.2 permit, and use all reasonable efforts to facilitate, any efforts that the other Party may make to obtain alternative supplies or services;
 - 19.4.3 update the information provided in the notice under Clause 21.2 at least once a week throughout the period during which the performance of its obligations is affected.
- 21.5. For the avoidance of doubt, if the Supplier is relieved from performing any obligation affected by Force Majeure it shall not be entitled to payment for the performance of that obligation in respect of the period for which relief is obtained.
- 21.6. If the Party claiming relief under Clause 21.1 is prevented by the Force Majeure from wholly or substantially performing its obligations under the Purchase Order for a period of more than 1 month either Party may terminate the Purchase Order by written notice to the other Party.

- 21.7. Clause 20.4 does not apply if the Council terminates or cancels any part of the Purchase Order under Clause 21.3, Clause 21.6 or Clause 4 (Severance).

22. BONA FIDES OF WORKPEOPLE

- 22.1. The Supplier shall, if required, provide accreditations and permits for the labour and staff it uses, with a form of authority acceptable to the Council for each person whom it requires to have access to the Council's property and shall keep a record of all forms provided. Forms and passes shall be surrendered as soon as access is no longer required.
- 22.2. The Council shall be entitled, at its discretion, to request that an individual under the control of the Supplier be removed from its property and, in the event of any such request the Supplier shall forthwith remove such individual and arrange for their replacement, if required, to provide the Goods and/or Services.
- 22.3. The Supplier shall at all times ensure its business and supply chains meet their obligations under the Modern Slavery Act 2015 and shall demonstrate the steps it takes to monitor compliance at the request of the Council.

23. WAIVER

- 23.1. No failure or delay by a Party to exercise any right or remedy provided under this Purchase Order or by law shall constitute a waiver of that or any other right or remedy, nor shall it preclude or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.

24. RIGHTS OF THIRD PARTIES

- 24.1. Neither the Council nor Supplier confers or purports to confer on any Third Party any benefit or right to enforce any term of the Purchase Order under the Contracts (Rights of Third Parties) Act 1999.

25. SEVERANCE

- 25.1. If a provision of the Purchase Order is held to be illegal, invalid or unenforceable, in whole or in part the provision will be severed from this Purchase Order and rendered ineffective and the Parties intend that the legality, validity and enforceability of the remainder of the Purchase Order shall not be affected.
- 25.2. In the case of any discrepancy or ambiguity or conflict between any of the documents forming the Purchase Order, the order of precedence shall follow:
- the Purchase Order
 - the Purchase Order Conditions
 - the Specification

25. ANTI-CORRUPTION

- 25.1 The Council may terminate the Purchase Order forthwith by giving notice in writing to the Supplier and recover from the Supplier the amount of any loss resulting from such termination if the Supplier shall have offered or given or agreed to give any person any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to do any action in relation to the obtaining or execution of the Purchase Order or any other contract with the Council or for showing or forbearing to show favour or disfavour to any person in relation to the Purchase Order or any other contract with the Council or if the like acts shall have been done by any person employed by the Supplier or acting on its behalf (whether with or without the knowledge of the Supplier) or if in relation to any contract with the Council the Supplier or any person employed by the Supplier or acting on its behalf shall have committed any offence under the Bribery Act 2010.
- 25.2 Any clause in the Purchase Order limiting the Supplier's liability does not apply to this Clause 25 (Anti-Corruption).

26. ENTIRE AGREEMENT

- 26.1 The Purchase Order, and any Council agreement with the Supplier under which the Purchase Order is made, is the entire agreement between the Parties and supersedes all prior proposals, promises, agreements, arrangements, representation, misrepresentation, understandings and misunderstandings between the Parties and relating to its subject matter (whether oral or in writing). For the avoidance of doubt

these Purchase Order Conditions shall prevail over the Supplier's terms and conditions which, whether or not notified to the Council on any invoice, other document or otherwise, shall not form part of the Purchase Order. The terms of the Purchase Order may only be varied in accordance with Clause 11 (Variations).

- 26.2 Each Party acknowledges that in entering into the Purchase Order it does not rely on any representation, warranty, collateral contract or other assurance of any person (whether a Party to the Purchase Order or not) that is not set out in the Purchase Order or the documents referred to in it. Subject to Clause 28.2, each Party waives all rights and remedies which, but for this Clause 26, might otherwise be available to it in respect of any such representation, warranty, collateral contract or other assurance. The only remedy available to any Party in respect of any representation, warranty, collateral contract or other assurance that is set out in this Purchase Order (or any document referred to in it) is for breach of contract under the terms of the Purchase Order. Nothing in the Purchase Order shall, however, limit or exclude any liability for fraud.

27. DISPUTE RESOLUTION

- 27.1 Any dispute arising out of or in respect of the Purchase Order may be referred in writing by either Party to a dispute resolution committee comprising the Council Representative and the Supplier Representative. Failing resolution of the dispute by the dispute resolution committee within a period of 10 (ten) Business Days of the reference to them the dispute may immediately be referred in writing by either Party for determination to the Council's procurement team and Supplier sales manager who shall seek to reach agreement of the dispute within 1 (one) calendar month.

28. LAW AND JURISDICTION

- 28.1 Each party irrevocably submits to the exclusive jurisdiction of the English and Welsh Courts in relation to all matters arising out of or in connection with the Purchase Order which shall be governed by the laws of England and Wales.
- 28.2 For the avoidance of doubt, nothing in the Purchase Order shall relieve the Supplier and its sub-contractors and agents of their statutory or common law responsibilities or obligations in relation to the Goods and/or Services (or any part of it).
